

JOHNS HOPKINS HEALTH SYSTEM

Meyer 3-6 Inpatient Psychiatry Unit Short Term Renovation

CONTACT INFORMATION:

Project Manager: Stephen Kahl
Telephone: 443-535-2020
Email: Stephen.Kahl@whiting-turner.com

SCOPE:

The Project is for the renovation of the existing and fully operational psychiatry units located in the Meyer Building on Levels 3, 4, 5 and 6. The Project includes removal and replacement of fixtures, hardware, accessories, fasteners, millwork, and finishes. This work will take place exclusively in areas that will be occupied by Psychiatry patients during field investigation and construction. The work must be completed in multiple phases to minimize the safety risks to patients, visitors, staff and construction workers.

SCHEDULE:

Budget Development: December 2017 through February 2018
Bidding: December 2017 through February 2018
Award Contracts: February 2018
Start Construction: April 2018
